

## Daily Skin Care Kit with Travel Bag \$125.00 (a \$36 savings)

### Step One: Cleanse:

**Foaming Facial Cleanser**- Gentle enzyme cleanser. Apply water to the face. Gently apply cleanser and allow to sit on skin for roughly 15 to 30 seconds. Foaming process helps remove dry skin.

### Step Two: Moisturize

**Barrier Renewal Complex**- works to minimize fine lines and wrinkles while hydrating the skin significantly improving texture, tone and pore size. May be worn daily under sunscreen and nightly after cleansing.

**Moisture Rich Body Crème**-nourishes and moisturizes to improves skin texture and promote cell renewal. May be used daily.

### Step Three: Protect

**UV Elements SPF 44** -A physical based sunscreen to protect and prevent skin damage caused by harmful UVB and UVA rays. Apply 15 minutes before sun exposure and reapply every two hours.

**UV Lotion SPF 30+**- A full body sunscreen to protect and prevent skin damage caused by harmful UVB and UVA rays. Apply 15 minutes before sun exposure and reapply every 15 minutes.
